Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. While only 12 people have actually had contact with it, many songs and movies have featured this shining object. But it s not a superstar, or even a star at all. It s our moon. From tides and tracking time to gravitational pull on orbits, the moon affects life here on Earth. Take a trip to the moon through the fact-filled pages of this book! Third-grade students will enjoy learning about the physical features and phases of the moon, tides, lunar calendars, and more through this high-interest informational text filled with vibrant photographs. Aligned to the Next Generation Science Standards, a hands-on Think Like a Scientist lab activity is included at the end of the book, providing students with an opportunity to apply what they ve learned in the text. Helpful diagrams, including the eight phases of the moon, and text features, such as a glossary and index, are also included to improve content-area literacy and support STEM instruction.
