When Linda discovers that she has a life-threatening heart condition, she refuses to be wrapped in cotton wool. Determined to experience everything a thirteen-year-old girl should, she starts to work her way through a list of all the things she and her best friend wish to do: have a first kiss, go to a pop concert, travel without her parents. But when a strange and mysterious boy called Zak appears, Linda s life takes an unexpected turn - suddenly she is experiencing things she never dreamed possible, and every moment is precious. Minus Me is a gripping, addictive novel - written with heart-stopping emotional honesty - from one of Norway s most acclaimed young adult writers.
