

Remembering Greenville:: Photographs from the Coxe Collection (Paperback)

By Jeffrey R Willis, The Greenville County Historical Society, Greenville County Historical Society

Arcadia Publishing (SC), United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Anchored at the foot of the Blue Ridge Mountains, Greenville is the cultural center of South Carolina s Piedmont. Today, residents and tourists often find themselves immersed among the charming shops and quaint cafes that line the avenues in the historic Main Street district. A revitalized area today, Greenville s Main Street was the commercial center of the town during the life of William Coxe, a Greenville photographer who acquired many early images and who brilliantly extended the collection with his own photographs. Remembering Greenville: Photographs from the Coxe Collection explores Greenville during the first half of the 20th century. Stunning black-and-white images enlighten readers about the old Greenville that virtually disappeared as the small city was transformed into a large metropolitan area. These images, taken from the 1900s to the 1960s, depict Furman University and Greenville Women s College, both then located in Greenville s downtown; Camp Wetherill, Greenville s Spanish-American War training camp; and such personalities as an older, but still legendary, Shoeless Joe Jackson.
