Brand New Book ***** Print on Demand *****.The Codex contains a series of revolutionary readings for those who are spiritually inclined and wish to experience the world from a differing philosophical perspective. The Codex is all-embracing and does not presuppose any particular belief system or religious tradition of the reader. The timeless realm of existence embraces you from all sides, from deep within your consciousness; open your hearts and minds, allowing Me to enter, becoming One, and so entering a new phase of holy communion, echoing its true splendour and glory through all of eternity, and beyond.
