

The Power of Play: Learning What Comes Naturally (Paperback)

Filesize: 8 MB

Reviews

This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and i suggested this publication to learn.
(Jesse Tremblay)

INGRAM PUBLISHER SERVICES US, United Kingdom, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Today s parents often worry that their children will be at a disadvantage if they are not engaged in constant learning, but child development expert David Elkind reassures us that imaginative play goes far to prepare children for academic and social success. Through expert analysis of the research and powerful examples, Elkind shows how creative, spontaneous play fosters healthy mental and social development and sets the stage for academic learning in the first place. An important contribution to the literature about how children learn, The Power of Play restores play s respected place in children s lives and encourages parents to trust their instincts to stay away from many of the dubious educational products on the market.
