

The Oxford Handbook of Sondheim Studies (Hardback)

Filesize: 9.55 MB

Reviews

It is one of the most popular publications. It is actually written in easy words instead of being confusing. You will like how the author created this book.

(Art Gislason)

THE OXFORD HANDBOOK OF SONDHEIM STUDIES (HARDBACK)

To download **The Oxford Handbook of Sondheim Studies (Hardback)** PDF, make sure you follow the link under and download the document or have accessibility to other information that are related to THE OXFORD HANDBOOK OF SONDHEIM STUDIES (HARDBACK) book.

Oxford University Press Inc, United States, 2014. Hardback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. The Oxford Handbook of Sondheim Studies offers a series of cutting-edge essays on the most important and compelling topics in the growing field of Sondheim Studies. Focusing on broad groups of issues relating to the music and the production of Sondheim works, rather than on biographical questions about the composer himself, the handbook represents a cross-disciplinary introduction to comprehending Sondheim in musicological, theatrical, and socio-cultural terms. This collection of never-before published essays addresses issues of artistic method and musico-dramaturgical form, while at the same time offering close readings of individual shows from a variety of analytical perspectives. The handbook is arranged into six broad sections: issues of intertextuality and authorship; Sondheim's pioneering work in developing the non-linear form of the concept musical; the production history of Sondheim's work; his writing for film and television; his exploitation and deployment of a wide range of musical genres; and how interpretation through key critical lenses (including sociology, history, and feminist and queer theory) establishes his position in a broader cultural context.
