

Buddhism and the Psychotherapy Across Cultures: Essays on Theories and Practices (Paperback)

Filesize: 3.44 MB

Reviews

The book is great and fantastic. Yes, it really is engage in, still an interesting and amazing literature. You wont feel monotony at at any moment of your respective time (that's what catalogs are for regarding if you request me).
(Daren Raynor II)

BUDDHISM AND THE PSYCHOTHERAPY ACROSS CULTURES: ESSAYS ON THEORIES AND PRACTICES (PAPERBACK)

Wisdom Publications,U.S., United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. As both Buddhism and psychotherapy have grown and diversified in Asia, as well as in the West, so too has the literature dealing with their interaction. Today, Japan and the United States are the two largest psychotherapeutic cultures in the world, and this volume brings together seminal contemporary thinkers in both disciplines on both sides of the Pacific. Both Buddhism and psychotherapy are cultural institutions that evolved over time as their native cultures evolved, as the configurations of the self evolved, and as new cultures assimilated them. And both have transformed the cultures in which they have evolved. Cross-cultural interaction occurs not only between the two disciplines of Buddhist and psychotherapeutic practice (involving various schools and approaches within each) but also across geographical and ethnic boundaries, within the practitioner him- or herself. Contributors explore the creative possibilities emerging from the synergy of Buddhism and psychotherapy. Many conference participants came from a Pure Land Buddhist background (the largest stream of Buddhism in East Asia), specifically that of Jodo-shin (commonly known as Shin Buddhism), although Buddhist teachers and scholars of the Zen, Tibetan, and Vipassana traditions were also well represented. This volume in particular brings together world-class specialists from the United States and Japan, including Jack Engler, Anne Klein, Jeremy Safran, Naoki Nabeshima, Yasunobu Okada, Taitetsu Unno. They are versed in various forms of psychotherapy and counseling including clinical practice, therapist training, the care of the terminally ill, and in the practice of Tibetan, Zen, Vipassana and Pure Land Buddhism. This ground-breaking volume offers rich reflections at many levels.
