MULTINATIONAL FINANCE: EVALUATING OPPORTUNITIES, COSTS, AND RISKS OF OPERATIONS (WILEY FINANCE)

Wiley. Paperback. Condition: New. 576 pages. Multinational Finance assumes the viewpoint of the financial manager of a multinational corporation with investment or financial operations in more than one country. The book provides a framework for evaluating the many opportunities, costs, and risks of multinational operations in a manner that allows readers to see beyond the algebra and terminology to the general principles of multinational financial management. The text is distinguished by its logical organization, superior pedagogy, and clear, non-technical writing...
