John Hunt Publishing, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Every good reference book is both a product and a reflection of its time. The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism: it is a jumping-off point for further research. Here, the reader will find the ancient and modern interpretation for magical and mystical terms, together with explanations for the differences between the varied (and often conflicting) approaches to magic.
