Anness Publishing, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. This is a busy picture book full of fabulous facts and things to do! It includes bright and lively photographs of all kinds of creatures to stimulate important verbal skills. It offers exciting step-by-step activities that encourage young children to recognize different animals - play a zoological memory game, make your own wrinkly elephant, and draw a tropical fish. Did you know? Panels introduce amazing nuggets of weird and wonderful information about nature. It includes an exciting safari adventure game for youngsters to enjoy with their friends. It is developed with the aid of early learning experts. Buzzing bees, mischievous monkeys, cuddly koalas, prickly hedgehogs, spiny puffer fish, roaring lions, snappy crocodiles, and a whole host of other delightful creatures make it really fun to learn about animals! See a stag beetle s enormous jaws and the chameleon s long and sticky tongue. From a straightforward look at the ways in which animals move and the sounds they make to an exploration of their curious habits and characteristics, this book will teach young children all about the fascinating world of the animal kingdom.
