Combination 1 embodies the characteristics of an absolute peace at all three levels. Individuals may share a sense of hope and altruism, and the group may enjoy tranquility that ultimately contributes to (enables) the states ability to engage other states with optimism and transparency. A contemporary example might be the recent euphoria experienced in the United States as a result of the election of President Obama. But how long can this period last Combination 2 represents a more common trend in which individuals may not necessarily be content at the inner level, but collectively they are satisfied economically and or socially. Similarly, the state may also be in order, which contributes to regional or global stability. An example of this model is Western Europe. Currently Europe is experiencing one of its most peaceful and prosperous moments in its history. The creation of the European Union is largely responsible for such a phenomenon. Regional order is aligned...
