Magnetic Press, United States, 2016. Hardback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book. The third volume in the lavishly illustrated series of wildlife graphic novels, each following a single central animal through an adventurous day in their natural environment. Each tale depicts genuine natural behavior through the dramatic lens of Disney-esque storytelling, like a nature documentary in illustration. Both heartwarming and heartbreaking, this volume focuses on a solitary Lion as it wanders the plains of Africa, handling the daily hunt, and vicious rivalry, without a Pride of its own. The circle of Life takes center stage in a world where predator and prey trade places on a regular basis, and Family is something worth fighting -- and dying -- for. This exciting tale, written by Frederic Brremaud, is told without narration or dialogue, conveyed entirely through the beautiful illustrations of Federico Bertolucci. A beautiful, powerful tale of survival in the animal kingdom that explores the all-too-identifiable, universal concepts of Life, Courage, Aging, and ultimately Love.
