Barefoot Ministries of Kansas City, 2010. Paperback. Condition: New. Language: English . Brand New Book. Different people react to journaling in different ways. To some it comes easy and to others just getting a few pages down is hard. As a spiritual discipline, the act of trying is almost as important . if not more important . than the result. Journaling is an excellent way to connect with God and to practice this discipline is to simply record what we experience physically, spiritually, emotionally, socially and intellectually. With a beautifully designed interior and pocket-sized exterior, The Practice of Journaling will lead you through different ways to develop journaling as a spiritual discipline. Bloom Books can be used in many ways: retreats, small groups, individually, or as a large group.
