LifeWay Christian Resources, 2006. Trade paperback. Book Condition: New. Victoriously Frazzled: The Frazzled Female's Guide to Restoring Her Sanity by Cindi Wood is a great followup study to the immensely popular The Frazzled Female. Victoriously Frazzled will help any worn out, burned out, and stressed out woman understand the Spirit God has given her. The goal is to lead women into the presence of God right in the midst of their "frazzledness." By doing so, women will gradually pull back from confusion and doubt, from fear and self, and allow God's Spirit to have His way in their lives. Each chapter of this print-driven study includes a Defrazzler to help women delve more deeply into the insights from each week's study. Relax in the Word is an optional time of study to help women explore the Scriptures in more detail. Individual study is approximately 20 minutes each day for five days per week. A Leader Guide is provided in the back of the Member Book. Ways to use this study: Home study groups for women Accountability groups Discipleship studies Women's Bible studies Brown bag lunchtime studies in offices Introduce study at a women's ministry get-together, provide sign-up sheets Schedule in the summer for teachers & educators Schedule a mid-morning study for women who are available during the day About the Author: Cindi is an author, speaker, conference leader, and founder of Frazzled Female Ministries. A wife and mother, Cindi's passion is to help women discover that a growing intimacy with Jesus Christ is the key to dealing with all areas of life, including the daily stress that often gets the best of us.
