Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Shortcuts Through Time is my second anthology of Twilight Zone genre science fiction stories. Operation Chronos is about a university physicist that befriends an elderly German janitor who had smuggled plans for a time machine out of Germany at the end of World War II. The professor is able to construct a time machine from the plans resulting in an alternate universe where professor and janitor reverse roles. A Change of Plans is based on the true life experience of the author s mother that, had this event not happened, the author would most likely never have been born. A time warp enables a man to go back to the past and prevent his grandmother s killing at the hands of his grandfather. But what will become of this man as a result of the change? (AUTHOR S NOTE: The names, place, and dates have been altered or changed.) Winners and Losers recounts what happens to a community college instructor who can visualize tomorrow s winning lottery numbers. The outcome is embedded in the title of the story. Back and Forth reveals the unintended consequences of an early 20th century time traveler s attempt to alter the course of the later 20th century by arranging the deaths of Lenin and Hitler before they come to power. The Second Shooter tells about a man who is approached by a mysterious stranger with a plan to travel back in time to prevent the assassination of President Kennedy in 1963. The plan succeeds and the assassination is averted; however, it becomes necessary to go back in time once again - this time to ensure that Kennedy is assassinated in order to...
