To Hear the Falconer: Song and Prophecy for the Time of War, Want, and Warming

By Howard Webber

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To Hear the Falconer: Song and Prophecy for the Time of War, Want, and Warming is a contemporary religious reflection on the state of our world. It is intended as a foundation document for the emerging church: a spiritual community containing both conventional and unconventional believers-and many nonbelievers as well. The author is convinced that the Judeo-Christian tradition offers critical tools to address war and sectarianism, global warming, and environmental degradation. But they have been lost to many, and now through this book they are being recovered. With W.B. Yeats in his *The Second Coming*, the author believes that the blood-dimmed tide is loosed, and everywhere the ceremony of innocence is drowned. With Yeats he concludes, Surely some revelation is at hand. A fulcrum for the book is the Gospel According to John, in which the Rabbi tells his disciples, There is still much that I could say to you, but the burden would be too great for you now (John. 16). He then proclaims a new covenant. But when he comes who is the Spirit of truth,...
