Clarity Press, United States, 2013. Paperback. Book Condition: New. New.. 226 x 152 mm. Language: English . Brand New Book. This book applies Boyle s functionalist, Fullerian, and anti-Hobbesian framework of analysis for international law and organizations elaborated above in order to develop a comprehensive history and critique of American foreign policy toward Libya from when the Reagan administration came to power in January of 1981 until today in the immediate aftermath of the Obama administration s orchestrated NATO War against Libya, that is for over the past three decades. Chapters 2 and 3 deal with the repeated series of military conflicts and crises between the United States and Libya over the Gulf of Sidra and international terrorism during the eight years of the neoconservative Reagan administration. Chapter 4 explains and analyzes the Lockerbie bombing allegations and dispute by the United States and the United Kingdom against Libya that started with the realist Bush Senior administration, continued through the neoliberal Clinton administration, and was finally wound up by the neoconservative Bush Junior administration in order to gain access to Libya s oil. Then in 2011 the neoliberal Obama administration directly took over Libya s oil fields under the pretext of the so-called Responsibility to Protect (R2P) doctrine. Chapter 5 analyzes and debunks the doctrines of R2P and its immediate predecessor humanitarian intervention in accordance with the standard recognized criteria of international law. Chapter 6 then takes this debunking analysis and applies it to the U.S./NATO war against Libya under the R2P rubric during the neoliberal Obama administration in 2011. In the Conclusion, Boyle reflects on where the world stands today after September 11, 2001 and the consequent American global war on terrorism for which the oil-laden Libya had always been designated to be a primary target starting since the late...
