

## Maps Are Lines We Draw: A Road Trip Through Haiti (Paperback)

Filesize: 1.08 MB

### **Reviews**

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Ms. Fatima Erdman)*

## MAPS ARE LINES WE DRAW: A ROAD TRIP THROUGH HAITI (PAPERBACK)

Lanternfish Press LLC, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. After a decade of dreaming, Allison Coffelt arrived in Haiti, ready--she thought-- to learn how much she didn't know about the Caribbean nation. Traveling the highways with Dr. Jean Gardy Marius, founder of the public health organization OSAPO, she embarked on a life-changing journey that would weave Haiti's proud, tumultuous history and present reality into her life forever. Maps Are Lines We Draw explores the culture and natural beauty of the island as well as its discomfiting realities: the threat well-intentioned aid organizations can present to the local economy; the privilege that determines who gets to travel between a here and a distant there which is foreign and other; and the challenge of doing short-term good without creating long-lasting harm.
