Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Spend Less Time in the Kitchen with Quick and Easy to Prepare Instant Pot Slow Cooker Meal! Fix, Slow Cook, and Serve Homemade One-Pot Meals the Whole Family Will Love! Have you been searching for ways to simplify the daily task of creating nutritious meals for you and your family, but often end up either spending too much time in the kitchen or caving in and going for easy convenience foods that lack nutrition? If so, you are not alone. It turns out that time is the number one obstacle to eating delicious home cooked meals on a daily basis. You may have noticed that there has been a new shining star on the kitchen appliance market, one that promises what seems to be miracles in terms of food quality and time saved. The appliance in question is the Instant Pot, and people are raving about them. This book will help you see how this multi-cooker is in no way overrated. What many people might not know is that the Instant Pot is more than just a pressure cooker; it also works as slow cooker, among other things. This means you can prepare your meals in the morning and have them ready when you want them later in the day. This collection of recipes will get you excited about taking advantage of the many talents of the multi-cooker with incredible variety and the use of only the freshest ingredients. If you are looking for inspiration to get you started enjoying your Instant Pot, this book will get you started on a journey that you will never regret taking. Inside, you ll find: Settings, temperatures, and tips for using your instant...
