Trafford Publishing, Canada, 2011. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In his new poetry collection, author Lucio Presutti draws on his life experiences, trials, and tribulations to present a unique philosophical view on historical events, human behavior, and current experiences. From the search for romance to the loss of our most revered president, John Fitzgerald Kennedy, he captures of the heart and soul of the emotional depth of each experience. Compelled strongly by the theory of duality, he believes our forces in nature and life itself invariably touch and mould the intrinsic nature of all human beings. There is a deep and profoundly spiritual resonance in his writings. Though he has experienced a tumultuous life, the inherent optimism in his life is evident in Lucio s Poems. Where Are You?
