Thomas Nelson, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Is the Trinity Unbiblical, Unbelievable, and Irrelevant? is a chapter from Nicky Gumbel s book, Searching Issues. Nicky tackles questions around the Trinity, as it is one of the most challenging doctrines of the Christian faith and one of the most common questions asked on Alpha. This is an ideal take away for an Alpha guest who is struggling with this topic or anyone curious to find out more. Alpha creates an environment of hospitality where people can bring their friends, family and work colleagues to explore the Christian faith, ask questions and share their point of view. Alpha makes it easy to invite friends to have spiritual conversations which explore life s biggest questions in a safe and respectful way. Alpha s approach to hospitality, faith and discussion is designed to welcome everyone, especially those who might not describe themselves as Christians or church-goers. Each session includes time for a large group meal, short teaching, and small group discussion. This resource is written in Spanish.
